**Subject:** Draft 2017 Sci Policy Handbook

Hi Kevin-

Attached you will find the draft handbook and corresponding document that Emily handed over before she left. You will notice track changes on this document highlighting omitted/ included information for the handbook. Emily and a colleague were able to gather some language from other agencies which I referenced in describing certain sections of the handbook.

Thank you, and I look forward to your feedback as well discussing next week.

Best,  
Ali
